\*Recent regulation changes appear in **underlined, bold text**.

**1. During statewide primitive deer hunting season youth under 16 years of age may hunt deer with any legal deer firearm legal for that particular area.**

- Only crossbows and archery equipment are allowed for hunting in Training Areas 1-17, *excluding 14B*.
- Shotguns, muzzleloaders, crossbows and archery equipment may be used for hunting in Training Areas 18-49. See chart above for species specific weapon restrictions.
- Rifles, shotguns, muzzleloaders, crossbows and archery equipment may be used for hunting in Training Areas 48 and 49. Rifles are restricted to no more than 5 rounds in the chamber and magazine combined. See Chapter 11, Figure 3 in the USACCoE&FG Regulation 420-5 for information on authorized rifle calibers. See chart above for species specific weapon restrictions.
- For hunting deer, shotguns must be limited to a capacity of not more than five (5) shells in the magazine and chamber combined. Ammunition is limited to slugs only. Scopes are allowed on muzzleloaders and shotguns.
- Air bows and air rifles are not permitted for hunting on Fort Eisenhower.
- **Small Arms Impact Area: Closed until further notice.**
- 2025 Fort Eisenhower Wild Turkey bag limit is set at 2 Gobblers. Daily bag of 1 gobbler.
- State bag limits for big game species apply unless otherwise noted.
- **Each hunter may harvest no more than 5 antlerless deer in training areas 18 -49.** State bag limits apply for antlered deer.
- It is mandatory for all hunters to submit a lower jawbone from each harvested deer. Jawbones from antlerless deer must be submitted at the time of check out. Jawbones from antlered deer must be submitted within 7 days. Instructions for pulling and submitting jawbones can be found at each Outdoor Recreation Information Station and on the Fort Eisenhower iSportsman website.
- **Deer harvested during normal duty hours (M-F, 0700-1600 excluding federal holidays) are no longer required to be checked by a Fort Eisenhower biologist, however Fort Eisenhower biologists would still like to measure any buck with 4 points or greater on one side at the hunter’s convenience** by calling (706)832-7661, (706)726-0098, or (706)791-9983.
- All hunters who harvest a deer or turkey must complete the electronic harvest information form during the checkout process in iSportsman prior to leaving the installation. Those unable to access the form in iSportsman may use FG Form 9168 (kill card) to record this data and must submit the form at one of the Outdoor Recreation Information Stations.
- All deer and turkeys harvested must be checked in according to the GA DNR regulations in addition to the Fort Eisenhower check in procedures. See GA DNR Hunting Seasons and Regulations publication for more information.
- Coyotes and feral hogs may be hunted at night. Any light used to hunt these species shall be carried on the body of the hunter, affixed to a helmet or hat worn by the hunter, or be part of a belt system worn by the hunter. See state regulation for more information.
- All hunters, regardless of age, must possess proof of completing a state approved hunter safety course.
